#### 3.1 Open Competition/Invitation For Bid Document:

- 3.1.1 It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise the DP&CS if any language, specifications or requirements of an IFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the IFB to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the buyer from the DP&CS, unless the IFB specifically refers the bidder to another contact. Such e-mail, fax, or phone communication should be received at least ten (10) calendar days prior to the official bid opening date.
- 3.1.2 Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. Therefore, bidders are advised that unless specified elsewhere in the IFB, any questions received less than ten (10) calendar days prior to the IFB opening date may not be answered.
- 3.1.3 Bidders are cautioned that the only official position of Clay County shall be that which is issued by the DP&CS in the IFB or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- 3.1.4 The DP&CS shall have the right to officially amend or cancel an IFB after issuance. It shall be the sole responsibility of the bidder to monitor the Clay County Current Bidding Opportunities website at: <https://www.claycountymo.gov/bids/current> to obtain a copy of the addendum(s).

- a. **It is recommended that bidders respond to each item or paragraph of the IFB in sequence.** Items not needing a specific vendor statement may be responded to by concurrence or acknowledgement; no response shall be interpreted as an affirmative response or agreement to the Clay County provisions and conditions. Reference to handbooks or other technical materials as part of a response **must not** constitute the entire response and vendor must identify the specific page and paragraph being referenced.
- b. Bidders **must** examine the entire IFB carefully. Failure to do so shall be at bidder's risk.
- c. All bid documents must be submitted in full (all pages of the IFB shall be either signed or initialed) to be considered responsive. All information must be legible. Any and all corrections and/or erasures must be initialed. Each bid must be signed in ink by an authorized representative of the proposer and required information must be provided. The contents of the bid submitted by the successful vendor of this IFB shall include all bid documents and shall become a part of any agreement award as a result of this solicitation. **The bidder shall initial all pages where the document denotes “Vendor’s Initials: \_\_\_\_”.** Any bids not complying to this condition may be considered non-responsive and rejected.

Vendor’s Initials: \_\_\_\_\_

- b. Open Records: **The bidder shall not submit the entire bid as proprietary or confidential.** The bidder may submit a part of the bid as confidential, but only if the proprietary or confidential nature of the material is provided for in RSMo 610.021. Proprietary or confidential portions of the bidder's bid allowed by the statute **must** be separated, sealed, and clearly marked as confidential within the bidder's bid. Also, the bidder should provide adequate explanation of what qualifies the material to be held as confidential pursuant to the provisions of RSMo 610.021 which may be viewed at the following web site link: <http://www.moga.mo.gov/statutes/C600-699/6100000021.HTM>. 3.2.5 **Mailing Instructions:** a "SEALED BID LABEL" is provided in Attachment 2, which should be affixed to the bidder's bid response. This label should be affixed to the outside of the envelope or package, even if it is a "No Bid" response. Failure to attach the label may result in the bidder's bid response being opened in error or not being routed the proper location for consideration. No bid shall be accepted after the bid closing date and time specified on the cover page of the IFB. Late bid responses shall be marked "LATE" and not opened nor given evaluation consideration for potential contract award. IT SHALL BE THE BIDDER'S RESPONSIBILITY TO ENSURE THAT EACH BID RESPONSE HAS BEEN RECEIVED IN A TIMELY MANNER.

3.2.6 **Compliance with Requirements, Terms and Conditions:** **Bidders are cautioned that Clay County shall not award a non-compliant bid.** Consequently, any bidder indicating non-compliance or providing a response in conflict with mandatory requirements, terms, conditions or provisions of the IFB shall be eliminated from further consideration for award unless the County determines there is a need to waive a minor technicality.

- a. The bidder is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain terms and conditions which conflict with those of the IFB and its contractual requirements.
- b. In order to ensure compliance with the IFB, the bidder should indicate agreement that, in the event of conflict between any of the bidder's response and the IFB requirements, terms and conditions, the IFB shall govern. Taking exception to the County's terms and conditions may render a bidder's bid response as non-responsive and remove it from consideration for award.
- c. Bidders shall deliver a hard copy bid to DP&CS and must sign and return the IFB cover page or, if applicable, the cover page of the last amendment thereto in order to constitute acceptance by the bidder of all IFB terms and conditions. Failure to do so may result in rejection of the bid unless the bidder's full compliance with those documents is indicated elsewhere within the bidder's response.

3.2.7 **Bid Response Modifications:** A bid which has been delivered to the DP&CS office, may be modified by signed, written notice which has been received by the DP&CS prior to the official opening date and time specified. A bid may also be modified in person by the bidder or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or telegraphic requests to modify a bid shall not be honored.

All such decisions are at the sole discretion of the Purchasing Agent or designee.
- b. The following guidelines may be utilized to determine the criteria for an extraordinary circumstance:

3.4.1 All bid responses shall be considered as firm and valid for a period of one hundred twenty (120) calendar days, commencing the date and time of the IFB closing return date and expiring at 5:00 p.m. of the last day. If County extends a closing date through an addendum; the one hundred twenty (120) calendar days shall start from the extended closing date.
